

## Sabre Commercial Vehicle Policy Summary

***This is a Policy Summary only and does not contain the full terms and conditions of the contract. Full terms can be found in the Policy Wording, a copy of which is available on request.***

This is a small commercial vehicle insurance policy.

There are a number of documents that relate to your insurance policy and these are listed below. These documents should be kept together as they form the basis of the insurance contract and indicate the extent of the cover provided under your Policy.

### ***Policy Wording***

This contains the full terms and conditions of your contract – Version **March 2014 (M)**

### ***Schedule***

A document that gives details of the cover provided by your policy and the permitted drivers.

### ***Certificate of Insurance or Temporary Cover Note***

This document is evidence of holding valid insurance cover. It displays the vehicle registration covered by your policy together with the permitted drivers and use.

### ***Proposal Form or Statement of Fact***

This is the information you have provided us with and forms the basis of the contract.

## ***What does this cover me for?***

You can choose one of three different types of cover, which are summarised below with the lowest level of cover shown first.

### ***Third Party Only (TPO)***

If you are involved in an accident, you are covered for damage you cause to other people's vehicles or property or for injuries they sustain.

### ***Third Party Fire & Theft (TPFT)***

In addition to the cover provided above, you are also covered for loss of or damage to your own vehicle caused by fire or theft.

### ***Comprehensive (COMP)***

In addition to the cover provided above, you are also covered for any damage your vehicle sustains in an accident or for any damage caused by vandalism.

## ***What are important changes?***

An important change is one which will influence the acceptance or assessment of the risk. Important changes to a risk must be notified immediately they arise. Failure to notify means that the Policy may not operate to protect you.

Important changes could include the following:

- |   |  |                     |
|---|--|---------------------|
| * accidents (fault or non fault)                            | * thefts (of or from the vehicle)              | * disqualifications |
| * convictions (motoring or criminal)                        | * policyholder's address                       | * health matters    |
| * make & model of vehicle                                   | * occupation (full or part time)               | * use of vehicle    |
| * vehicle modifications (cosmetic or performance enhancing) | * type of driving licence and date test passed | * drivers           |
| * annual mileage  |  |                     |

This is not an exhaustive list so if you are in any doubt about whether or not facts may need to be considered you should disclose them. The Insurer reserves the right to decline any proposal or apply special terms.

## ***How long does my contract run for?***

Policies are annual contracts. The inception and renewal date of your policy are shown on both your Schedule and Certificate of Insurance.

## ***What happens if I take out cover and then change my mind?***

The policy provides you with a 14-day reflection period to decide whether you wish to continue for the full policy period. This is subject to certain terms, including a small time on risk charge. Full details are shown in the Policy Wording.

## ***Can my contract be cancelled?***

The policy may be cancelled mid-term in the following circumstances:

- by us or our authorised agent, by giving you seven days' notice in writing to your last known address. If this happens, we will return the unused part of your premium for any period where you did not have insurance
- or
- by you, in writing at any time by returning the current Certificate of Insurance to our authorised agent. You can also notify your intermediary via email of your intention to cancel the policy, acknowledging that the Certificate of Insurance has ceased to have effect from the appropriate time and date. Subject to no claim arising within the current period of insurance, you will be entitled to a return of premium for the unexpired portion of the Policy, based on the following: -

The refund will be calculated on a pro-rata basis but is subject to a £50 minimum premium deducted from the refund + IPT.
