

Green Cards

As of 2nd August 2021, there is not a requirement to carry a green card if you are driving in most European countries – this includes Ireland, Andorra, Bosnia and Herzegovina, Iceland, Liechtenstein, Norway, Serbia, and Switzerland. However, the EU still require you to carry a Green Card if you travel with a trailer or caravan. In this scenario, you'll need one green card for your trailer and another would be issued for the car.

You may need to carry a green card to drive in other European countries, including: Albania, Azerbaijan, Belarus, Moldova, Russia, Turkey and Ukraine.
